

Homework grid Y2 Spring

We would like you to choose some of the homework ideas from this grid to do at home over the 5 week half-term. We will have time in school to talk about the homework we have done that week. If you want to bring your homework to school or email a photo of you doing an activity from the grid that would be great. This half-term our topic is all about the environment. We will be reading the story called "The Owl Who Was Afraid of the Dark" by Jill Tomlinson.

Weekly
homework:

spellings

Practise our KIRF (key instant recall fact)
Learn our doubles and halves to 20

Reading 5 times a week or more (school book, library books or www.activelearnprimary.co.uk)

Literacy and speaking and listening

Write a list of words you can think of that end with these suffixes

-ment, -ness, -ful, -less, -ly

For example, *payment, beautiful, careless* or *sparkly*.

Can you think of any other stories you know with nocturnal animals in? What are they called? Which is your favourite?

Go to the library and choose a story to read at home. Write a short book review about your book. What did you like about it?

Read some poetry at home on the internet or in a book from the library. Which poem is your favourite? Why?

<http://childrenspoetryarchive.org/>

Maths and problem solving

Practise our KIRF for this half-term which is to learn the doubles and halves of all numbers to 20. When you know these, keep practising $\div 2$, $\div 10$ and $\div 5$ facts.

Practise measuring how long, heavy, tall or how much water something can hold at home. What will you need to measure the different things? Which measurements will you use?

Share some fruit, cake or pizza with someone. Practise cutting your food into halves, quarters or thirds, making sure each part is the same size.

Go on www.sumdog.co.uk and see how many questions you can answer.

Science and topic

Talk to an adult about how you have changed since you were a baby. If you have a photo of you as a baby, how do you look different now?

Think about an owl. Could you find out what kind of habitat they need to survive in?

Research owls or another nocturnal animal on the internet. What can you find out? Write some facts about the nocturnal animal you chose.

Create a poster titled: 'Why we should save the environment' Try to persuade other to save the environment.
