Dental Health Workshop and Assembly

Dear Parents/Carers,

During Healthy school's week (10th-14th June 2024) we have arranged for Kelham Island Smile Dentist to deliver a free workshop/school assembly to provide the children with some information regarding Dental Health. The workshop will be delivered to Reception and Year 1 classes and an assembly will be delivered to Year 2-Year 6. The Kelham Island Smile Dentist are visiting school on:

Wednesday 12th June 2024

In the workshop and assembly, the Dentists and Support Staff will give the children some top tips on how to keep their gums and teeth healthy. They will advise them on how to brush their teeth correctly, what foods are good/not good for teeth and what a trip to the dentist is like.

We hope that you agree this is a really good opportunity to build the children's awareness of good dental hygiene and encourage them to look after their teeth.

If you have any questions, please do not hesitate to ask.

Yours Sincerely,

Mrs. Pycroft & Mrs Crocker
Assistant Headteacher & Learning Mentor

Please come into school if you require further translation or explanation of this letter.

Achieving Together
